The Idaho Forest Stewardship Advisory Committee (IFSAC) will meet on Thursday, October 21st, 2010. The meeting will begin at 9:30 a.m. (Pacific Time) in the Sundance Conference Room of the IDL Staff Office in Coeur d'Alene. This IDL office is located at 3284 W. Industrial Loop, Coeur d'Alene, Idaho, 83815.

The agenda includes updates on the Idaho Forest Legacy Program, and discussions regarding the future directions and functions of this advisory committee. The facilitated meeting will focus on how IFSAC contributes in an advisory capacity in implementing stewardship activities that work collaboratively toward addressing forestland issues identified in Idaho's State Assessment of Forest Resources and the Statewide Forest Resource Strategy.

The public is invited to attend. For further information, contact the Idaho Department of Lands Office in Coeur d'Alene at (208) 769-1525.
